SAN FRANCISCO, CALIFORNIA

EXPERIENCE

DEC 2020 - JUNE 2022
Illustrator
TOASTER
Created illustrations in collaboration with copywriters, illustrators, animators, and directors to feature in digital campaigns, banners, emails, and social content for YouTube and Google.

NOV 2018 - OCT 2020
Personal Sabbatical
Completed courses on Psychology, Sustainability, Morality, Education, and more. Learned how to make teapots, picked up the ukulele, took voice lessons, and delved into film photography. Read a book every month, solo-traveled internationally, explored new art styles, learned to use new graphics software, and continued language studies.

JUN 2015 - OCT 2018
Graphic Designer
SINCERELY, INC.
Created visual content across 2 mobile apps, *Ink Cards* and *Postagram*, reaching over a million iOS and Android users. Worked within existing brand guidelines and established new visual styles. Collaborated with the team to produce social media assets, marketing emails, advertisements, web content, and in-app graphics. Designed top-grossing greeting cards for both apps and mentored junior designers.

AUG 2013 - FEB 2015
Children's Book Illustrator
CHRISTY TYNER
Designed and illustrated all visual aspects of the award-winning children's book, *Zak's Safari*, including layout, spot illustrations and spreads, character design, typesetting, lettering, and the cover illustration.

SEP 2013 - NOV 2013
Concept Artist / Illustrator
DENA WEST
Made card illustrations for *HellFire: The Summoning*, a game for iOS and Android devices, and created character concepts for *Unannounced Mobile Title*.
